Tel. (860) 409-4361

September 10, 2015

To the Avon Community,

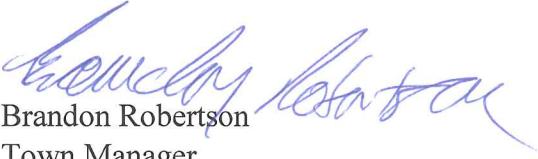

The Avon Water Company has begun a water main replacement project on the West Side of West Avon Road. This project was scheduled to begin early enough in the summer to allow for completion by the start of school. It was postponed so a water main on Lovely Street could be replaced when the state repaved the road over the summer.

The project can be expected to cause congestion on West Avon Road, Hollister Drive and Country Club Road. Lane restrictions/closures can be expected to slow traffic conditions. Project hours will be 7:30 a.m. – 4:30 p.m. Monday-Friday. It is anticipated that the project will take two months to complete.

I want to emphasize that the Town and the Avon Water Company are working to minimize the disruption. Work will stop for half an hour from 2:15-2:45 each afternoon to allow traffic to pass in both lanes. Work will not begin in the morning until students have arrived at school. In addition, police will be on site to assist with traffic.

Questions regarding this project should be directed to the Avon Water Company at (860) 678-0001.

Sincerely,

  
Brandon Robertson  
Town Manager
